PRESCRIPTION DRUG DROP OFF LOCATION

**TELLURIDE MARSHAL'S DEPT
134 South Spruce Street**

**Drop box located at west entrance to
the Marshal's Department**

Unused/leftover prescription drugs are a hazard to children and pets. Sewer and septic systems are unable to process pharmaceuticals, leading to the contamination of ground water. In addition, the harm to individuals and families by illegal use and addiction are well documented. Disposing of prescription drugs at our location is safe, simple, and anonymous.
