

RIGHT OF WAY EXCAVATION PERMIT

INSTRUCTIONS

Physical Address of Property _____

Applicable uses: All Utility Installations and Repairs
PUD Construction
Subdivision Construction
Single Family Home Construction
New Construction
Renovation

Important: The Applicant and Contractor shall warrant all installations for one (1) year upon issuance of Certificate of Final Completion.

All contractors performing excavation permit work within the Town of Telluride shall provide proof of the following prior to commencement of work:

- 1) A Business License with the Town of Telluride.
- 2) A \$5,000 cash Excavation Bond posted with the Town of Telluride Finance Department – will be held for one full year upon completion of project.

The Excavation Bond is for one block or 500' whichever is smaller. Each additional 500' or City Block will require an additional \$2500.00 Excavation Bond

Important: No excavation within the Town of Telluride rights of way is allowed between November 1 and April 1.

Submittal Instructions and Requirements:

The attached form shall be filled out by the applicant (incomplete applications will not be processed).

1. Name of Project – please use the same name on all Town related paperwork or applications.
2. Name of Applicant – name of owner and owner's representative if applicable, not the contractor.
3. Name of Contractor performing the work – company name, Town of Telluride business licenses number, address, phone number and contact person.

4. Plans – showing all planned work.
5. Signature – signature required by both applicant and contractor performing the work.
6. Provide a detailed Traffic Control Plan with name of Company Providing Traffic Control. Include sidewalk closure, if applicable.
7. Stormwater management plan, if applicable.
8. Proof of completed Utility Locates.
 - a. Locate requests can be submitted at www.colorado811.org/idig811/
 - b. Emergency and damage tickets must be called in to 811.

Return permit application with all required documents to the Public Works Department for final approval signature, payment of permit fee and permit issuance. A fee schedule is attached.

Important: Following issuance of the Excavation Permit, work may commence.

- The permit will expire if work is not commenced within fourteen (14) days of permit issuance date.
- Work must be completed within twenty-eight (28) days of permit issuance, unless authorized in writing by the Public Works Department.
- Each Permit will be limited to 500' or one (1) City Block
